**Luo's pure handmade tattoo machine  
new welcomed style LS-51**

Quantity: 1 pcs Condition brand new  
 Martieral: Cast Iron Net Weight: 220g  
 Wrap Coils: 10 wrap coils Type: shader & Liner 1 piece of professional tattoo machine gun for lining and shading (10 wrap coils) . The frame built from top quality billet materials, has been great heat treated and hot oil treated numerous times for protection . Cool looking and it works awesome. This solid iron machine will resist heat longer than any other, it's steady body and low-vibrating mechanism will make your tattooing much more comfortable for you and your client. This machine is well suited to magnum and soft work, but works equally as well for round shading. It can run hard as you like or as soft as you like with either long or short stroke.
